School Management Web based ERP Software

Hospital Management Web based ERP software

Hotel Management Web based ERP software

Features of e-GURUKUL[®] School Management Software

Be a Part of 'Digital India' Revolution and implement our 'Windows-based ERP solutions on cloud platforms' to run your School / Institution / University / Coaching Center / Play-Schools with ease and increased efficiency, fully updated with modern Standards of providing High Quality Education to your Students !!

The Software System developed by us consists of five different portals, namely, Admin Portal, Management Portal, Staff Portal, Student Portal and Parent Portal with two Mobile apps, operating on both Android and ios systems. Modules included in the software are mentioned broadly below :

- **Admission Management**
- **Student Management System**
- **Student Attendance Management**
- **Examination Management**
- **Homework and Assignments**
- **School Management – Teacher – Parent Communication Management (SMS, email)**
- **Front Office Management**
- **Alumni Management**

- Hr/Recruitment Management (Online Staff Applications)
- Staff Attendance & Staff Payroll Management
- Finance & Accounting Management
- Fee Management (Online Fee Payment)
- Stores & Inventory Management
- Hostel Management
- Lesson Plan
- Time Table Management
- Library Management
- Transport Management with GPRS System.
- Certificates, Report Cards, Bill, Receipt Generation

- *After mutually Signing off on basis of a '3-year Work Agreement Contract', We will provide the software on cloud based platforms and the same can be used on your school-computers in your prices; all you need is a Wifi connection in your premises!! Multiple log-ins at the same time can be implemented based on your requirements.*
- *It takes us a maximum of 4 weeks to implement the software with customizations, as desired by the School Management. Any further changes, from time to time till a period of 3 years, can be implemented within '10 working days' at nominal costs.*
- *We work closely with the School Management and understand their typical needs and 'customise' the software as per their requirements and adequately train the Teaching / Admin / Support Staff to use the software effectively.*
- *We provide 'School Apps' easily downloadable on Teachers / Parents Mobile phones to ensure effective Communications at all times, regarding 'Activities / Events', 'Homework', Examination Schedules', 'Holiday Schedules', 'Emergencies', 'Feedback', 'Birthday / Anniversary Wishes', etc.*
- *The Software will be available to the Users (School Mgmt / Teachers /Parents) for a period of 3 years and the services are renewable at nominal costs.*

ECONOMICAL LY PRICED (Per Student Per Month Basis & Nominal Installation / Demo / Training Costs) & Adequate Training is provided for using the Software, ensuring easier School Management and improving Teacher / Student / Parent relationships.
